Jan - March 2020 | Issue - 18

## Covid-19 Precautions

Let us all work together to fight this pandemic

Across all group divisions, multiple steps have been proactively taken by the company to ensure the safety of all.

Temperature checking at AIG Headquarter's entrance

Disinfection treatment done at AEIS staff accommodation

Sanitizer installed at various office locations

Temperature checking at AEIS work site

Avoid contact with someone who is coughing or has a fever

Frequently wash your hands with soap and water - Maintain good hygiene

Wear a mask if you have cough/running nose to protect others from infection

**Say NO to Panic, Say YES to Precautions**

## ACS Wins Major Award

Region's leading Business Automation Solutions provider, Almoayyed Commercial Services (ACS), has won Konica Minolta Outstanding Achievement No.1 Market Share 2019 award for the Middle East market. With four decades of experience, ACS continues to set itself apart from other vendors through its key performance drivers, such as feature-rich solutions, depth of innovation, the strength of offering, and commitment to its user experience. Mr. Hari Athilat, Group Divisional Manager of ACS received the award during a glittering ceremony organized by Konica Minolta at Dubai.
