Almoayyed Commercial Services honoured as Sponsor for the UOB exhibition

Almoayyed Commercial Services recognized as the sponsor for 5th International eLearning Conference and Exhibition organized by UOB in Crown Plaza. On behalf of ACS, Mrs. Hala Farouk Almoayyed, Director of Almoayyed International Group received the plaque from His Highness Shaikh Mohammed bin Mubarak Al Khalifa, Deputy Prime Minister and Chairman of the Committee for the Development of Education and Training.

The forum was entitled "Cognitively Informed Technology" and the conference is a part of educational initiatives undertaken by Bahrain over the years and government's shifts towards electronic digital transformation.

Best in Technology, Industrial Products & Services Technical Seminar

Almoayyed Electrical & Instrumentation Systems and Almoayyed Industrial Contracting & Maintenance Services along with their global partners KSB Pumps, VAG Valves, Rotork actuators, Badger Meter, SWAN Analytical instrumentation, RMG- Honeywell, Xylem & Delta Control Systems Integrator have jointly organized a two day Technical Seminar entitled "Best in Technology, Industrial Products & Services" in Al Dana 3 & 4, Gulf Convention Center, Gulf Hotel on 3rd & 4th of November 2015.

The Seminar was attended by more than 300 key decision makers from the Bahrain Industrial segments along with Local Consultants and Main contractors serving these segments in Bahrain. Technical seminars are presented

by the specialists flown from the suppliers to provide insights into "state of the art technologies" to solve critical project demands. Products presented and discussed also meet the stringent long term technical solutions the industrial segment demands. The seminar was also a great opportunity to interact with supplier's technical specialists and share practical experience gained in various projects in the region and worldwide by usage of these products.

Almoayyed International Group and Zain Bahrain has jointly organized an e-Waste Recycling Campaign. The main objective was to give the awareness of individual action on the care of the global environment and the importance of recycling the e-waste generated in our country.

Waste electrical and electronic equipment are one the fastest growing waste streams in the world as it contains substantial amounts of health-threatening toxins such as mercury, cadmium, chromium, and ozone-depleting chlorofluorocarbons.

AWARDS & ACHIEVEMENTS

SITCO Signs Key Joint Venture Accord

Season International Trading & Industries has entered into a joint venture with Lead Edge Papers Pvt. Ltd, India to start a manufacturing facility in Bahrain for Paper Corner Boards. The Joint Venture will be named "Season Lead Edge Paper Industries Co. W.L.L.". Corner Board is manufactured out of multilayered Kraft paper glued together.

Being part of the Packaging Industry, Season International Trading and Industries Co. W.L.L. (SITCO) discovered an opportunity to improve its services by adding a new line of business. The product will be exported first to the GCC & MENA region and then to Europe.

Corner boards maximize packaging protection and support. The primary use of corner boards reduces damage of goods during shipping as its rigid angles reinforce the edges on corners, tops, and bottoms of boxes or products.

Some of the Applications for Corner Board are:

- Paper Reels and Sheet Palletization
- Air conditioners, Refrigerators, Photo Copiers
- Computer and Printing equipment
- Fruit/Agricultural Produce Palletization
- Refractory brick palletization
- Tea chest palletization
- Aluminum coil sheet and extrusion
- Steel-Coils and galvanized steel coil and Sheets
- General Palletization for Export
