KEY JOINT VENTURE ACCORD

Almoayyed Safety Industrial Center (ASIC) has signed a joint venture agreement with EMM International B.V., Netherlands to promote auto refinishing non-paints and associated products in Bahrain.

The agreement was signed by Mohammed Almoayyed, Vice Chairman and Managing Director of Almoayyed International Group (AIG) and EMM International Export & Benelux GM Jeroen van den Berg during a technical seminar at the Gulf Hotel, Gulf Convention Center on 22nd February 2016.

EMM International's core focus is development, manufacture and distribution of products and dispos-

ables for all sectors that use paints on a larger scale.

EMM has invented almost forty new and innovative products over the last three years, for sectors like the vehicle repair market, ship & yacht building and industry. Its brands include,

Colad, Hamach, Ronin Tools and Tander and a range of products under private labels.

"They have built a strong reputation world over as a leading company for auto refinishing non-paints and associated products and we will ensure that this reputation is further strengthened within the

Kingdom and strive to drive the market together to greater heights," said Mr. Mohammed Almoayyed.

Jeroen van den Berg added, "We are very proud and excited to have found in company Almoayyed our exclusive partner for Bahrain market. We couldn't have thought of a better company to represent us in Bahrain, so this is a big step forward for EMM International."

More than 75 key decision makers and body shop managers in Bahrain who were also provided with insights on the technology, the technical solutions and the competitive advantages of EMM International attended the seminar.
