

AIG Newsletter

Oct - Dec 2016 | Issue - 06

Mr. Mohammed Almoayyed, Chairman of Almoayyed International Group honoured the Finance and Commercial team during the felicitation ceremony organized at AIG head office along with AIG Board Members and other management.

Mr. Ajay Jain receives the Financial Executive of the Year 2016 (MENA) plaque from Ms. Sophie Le Ray, CEO, Naseba.

Almoayyed International Group recognized as Finance Team of the Year – 3rd Place (MENA Region) during the 10th CFO Strategies Forum MENA organized by NASEBA on November 6-7, 2016 at Sofitel, The Palm in Dubai. The CFO Strategies Forum also featured the MENA CFO Awards, which recognized individuals and organizations for their outstanding achievements and revolutionary practices. Mr. Ajay Jain, Finance Controller, Almoayyed International Group won the Financial Executive of the Year (MENA Region).

UL/FM APPROVED FIRE ALARM SYSTEMS SEMINAR

Almoayyed Fire & Safety Co. W.L.L. organised a seminar in cooperation with Hochiki Middle East FZE on UL/FM approved Fire Alarm Systems. The seminar was held for selected clientele and took place at the Crowne Plaza hotel on the 29th of November. It was conducted by Mr. Omar Al-Haj Ali, Bahrain Sales Incharge from Hochiki Middle East FZE, Dubai.

With a heritage of innovative design and leading-edge technologies, Hochiki's products have acquired global acceptance as the benchmark for high-integrity and long-term reliability. The UL range of addressable equipment includes detectors, sounders,

modules, manual pull stations, warden stations, phone cabinets and much more.

Mr. Mohammed Al A'Ali, Director, Almoayyed International Group expressed his excitement about the seminar saying "We are honoured and proud to have Hochiki Middle East FZE here as they are a strong and very well established company. The seminar was a success and we hope to have many more in the future".

Hochiki Bahrain Sales Incharge, Mr. Omar Al-Haj Ali said "It was my pleasure and honour to be here conducting this seminar and would like to thank Almoayyed Fire & Safety Company for having us and for this successful partnership."

DOMÉ CAFE WINS CITI FACT AWARD

Dome Cafe has won the prestigious CITI Fact Award for "Favourite Family - Friendly Restaurant in Bahrain 2016" hosted by Citi Bank and Fact Bahrain Magazine at Art Rotana, Amwaj Island. The CITI FACT Awards recognizes excellence in the food and beverage industry, with two awards handed out in each category: the BEST and the FAVOURITE. The BEST award is decided by a group of independent industry experts, sponsor representatives and top food and lifestyle bloggers in Bahrain; the FAVOURITE award is based purely on public opinion, which saw more than 20,000 online votes being cast this year.

EMBRACE main focus is to fulfil Almoayyed International Group's responsibility towards Bahrain's community and it strives to provide support to various charity works and events with the cooperation and participation of employees.

RENEWABLE ENERGY INITIATIVE

As a part of its Go Green initiative, Almoayyed International Group has installed solar energy system at its headquarters building's roof top. The system was commissioned by Almoayyed Trading & Contracting, an engineering division of AIG. The 20KW solar grid power generating system will meet the entire AIG compound's lighting requirement. This is the first step in our long planned initiatives for sustainable energy within the office space. As cost of such technologies become more effective, we will continue to increase the solar capacity within the compound.

Among a variety of renewable energy sources, solar energy is a sustainable alternative option that can be utilized in various ways and can be used for many applications. AIG will play a pioneering role in educating and piloting this project to its clients within the Kingdom.

A reverse vending machine is being installed at AIG canteen for recycling of plastic and aluminum bottles. VIVA free 4G internet connection and attractive reward program also offered for the users.

Employees and families took part in a Beach clean-up at Asker on 21st October 2016. The event was a great success with a significant number of participants.

Marathon Relay

Team iWorld connect

Team Almoayyed Computers

Bahrain Round Table hosted the kingdom's biggest charity event Bahrain Marathon Relay 2016 at Bahrain International Circuit. Organisers estimated that more than Bd.30000 was raised from the event which will go towards various local charities. Almoayyed Computers and iWorld connect have participated for the race. Above, teams with their medals.

Walk-A-Thon

Almoayyed International Group participated in the charity Walk-A-Thon event organized by Bahrain Cancer Society in association with "Adnan Sport Events Management" at Ritz Carlton Spa & Hotel – Seef District on Saturday, October 29th, 2016. The Walk-A-Thon is aimed to raise awareness for Cancer Prevention and Detection.

Almoayyed International Group participated in the charity Walk-A-Thon event organized by Rotary Club of Salmaniya and Gulf Diabetes Specialist Center at Prince Khalifa bin Salman Park, Hidd on 3rd December, 2016. The Walk-A-Thon is aimed to encourage people to adopt a healthy lifestyle to "Beat Diabetes".

Blood Donation Campaign

Blood Donation Campaign organized in collaboration with Salmania Medical Complex, Central Blood Bank at AIG office premises on 21st December 2016. The campaign was a great success with number of donors.

Exhibitions & Events

Almoayyed Computers participated in GITEX Technology Week 2016 at Shaikh Rashid Hall, Dubai on 16-22 October 2016 organized by Works Smart & BITEK. Bahrain Pavilion includes 29 technology companies along with Transportation and communication Ministry, EDB, eGovt Authority and Tamkeen. GITEX offers an annual opportunity to Bahrain's IT companies to showcase their products in regional and global markets.

AEIS division acquires Almukhaimar Construction WLL

Almoayyed Electrical and Instrumentation Systems is pleased to announce that it has acquired Almukhaimar Construction WLL one of the major contracting company in Bahrain operating since the mid-nineties. The company will be named as Almoayyed Almukhaimar Construction Company WLL and it is located adjacent to the AIG HO in Mameer.

Almukhaimar is recognized for its broad expertise in the construction and infrastructure sectors, particularly in civil works in green and brown fields industrial plant areas, infrastructure works, road works, demolition works, painting works, term contract with MOW, repair and reinstatement services.

With this acquisition, AEIS will have attractive opportunity to address major areas of industrial contracting needs which will usher in a new era of business opportunity for Almoayyed foray into Industrial Contracting segment with a set of professionally managed and experienced divisions under its umbrella. As always, Almoayyed team is focused to bring value for its customers in industrial segment to meet new project challenges in the Kingdom of Bahrain.

iWorld connect sponsored St. Christopher's School's annual Festive Fayre event organized by Friends of St Chris on 18th November 2016 at Saar Campus. The event was attended by more than 5000 people including children, parents and their friends. Fun-filled activities including games, raffles and entertainments were also part of the fayre.

AEIS CLINCH CRUSHING WIN

AEIS emerged victorious with a 2-0 best-of-the-three sets win over Almoayyed Computers. The tournament saw the participation of 9 teams representing different divisions. The best player of the tournament was Mr. Ramanathan from AEIS.

Facility Inauguration

Mr. Zakir Hussain, GM of Almoayyed Fire & Safety inaugurated In-House Hydrostatic Pressure Testing Facility at its yard in Sitra. Hydrostatic Pressure testing Machine is used to check the strength of extinguisher's shell and leakage, by filling water in the extinguisher and then pressuring it to the required test set level.

Project Completed

Almoayyed Fire & Safety successfully completed FirePro Aerosol Fire Suppression System project at VIVA Telecom Head Office, Seef. FirePro Aerosol is a new technology which extinguishes fire by inhibiting the chain chemical reaction in combustion on a molecular level – it removes the flame free radicals and extinguishes fire without depleting oxygen.

Orientation session to IT students

Information Technology students of the Shaikh Khalifa bin Salman Institute of Technology visited the Almoayyed International Group's headquarters, as a part of their corporate orientation program to gain on site training. 27 students were given a comprehensive overview of the various business under AIG umbrella and the different modalities its HR department pressed into service in running the diversified business. They were also provided a technical orientation from the IT Department, in terms of understanding the IT infrastructure of the company.

Brain Mapping – *How it can change your life !*

Almoayyed Computers has organized a motivational speech session titled "Brain Mapping – How it can change your life" on 6th October 2016 at AIG Training Room conducted by Mr. Ashraf Shokry.

The goal of such motivational speech is to change people profoundly on an emotional and/or mental level, and to help them to make professional or personal change in their lives and within themselves. People naturally tend to focus on all their problems, and the motivational speaker will help an audience to focus on the many opportunities instead, by using any number of persuasive speech tactics to inspire and motivate.
